**STAFF'S MOTION FOR A PROCEDURAL
ORDER TO RESTART THE TIME CLOCK**

On August 28, 2006, the Arizona Corporation Commission Staff ("Staff") issued a letter of conditional sufficiency commencing the statutory time clock in this proceeding. The letter was conditioned upon the Arizona-American Water Company's (the "Company") agreement to docket volumetric billing determinants satisfactory to Staff that reconcile the proposed volumetric (i.e., water usage) rates to the proposed revenue no later than six weeks from the date of the letter, or by October 11, 2006. The conditional sufficiency letter also memorialized the Staff and Company's agreement that failure to submit the required billing determinants by that date would result in the time clock being immediately suspended until the information was filed.

On October 24, the Company and Staff filed a stipulation to suspend the time clock from October 11, 2006 until Staff received billing determinants. The parties requested a procedural order suspending the time clock. On October 30, 2006, Administrative Law Judge Teena Wolfe issued a procedural order granting the parties' request. On February 2, 2006, Staff issued an unconditional Letter of Sufficiency. Staff stated that the time clock should be restarted beginning with the date of the unconditional Letter of Sufficiency.
